## iPad and Surface Stands

These attractive and durable Apple iPad and Microsoft Surface Stands are designed specifically for trade shows, events, and retail environments. They are lightweight, secure, and easy-to-assemble. Most feature the innovative Swivel Stop™, allowing the iPad or Surface to rotate between the portrait and landscape position without tools. Graphic options include wings, halos, and face plates.

Choose from over 20 designs. Most include a lockable clamshell or secure enclosure. Ask about tablet options for Android Devices.
